

33rd Hungarian Senior Open Championship

13-15th September, 2022

Zala Springs Golf Resort

Invitation by the President

Zala Springs Golf Resort

Dear Golf Mates,

In Europe, the number of golfers has increased in almost every country in the last 2 years, including Hungary. We hope that there will be more and more

players in the 33rd Hungarian Senior Open Championship and that we can organize a full house competition.

In 2022, our championship will take place at the Zala Spring Golf Resort (Zalacsány), an 18-hole championship golf course designed by Robert Trent Jones Jr. Players from the the surrounding countries' clubs regularly visit this course not only for playing but also to various competitions.

We can talk not only about a golf course, but also about different categories of excellent accommodation, wellness facilities and, of course, culinary delights.

Based on the previous positive feedback, it can be considered a tradition to greet the participants on a gala diner at the evening before the final day.

We are trying to organize a high-quality evening again this year, where we can expand our relationship and discuss about what happened on the course.

We are already in the third year of the pandemic, therefore the safety is still a priority. Accordingly, we will adjust our decisions and rules to the epidemic situation at that time.

In the meantime, I wish everyone good health and take care of yourself and your family!

Tamás Dietrich
president
Hungarian Senior Golfers Association
