**INVITATION
TO THE INTERNATIONAL FOUR BALL COMPETITION
by the Senior Golf Association, Germany
Europa-Park Golfclub Breisgau, in Co-operation with Europa-Park Rust
May 9 to 11, 2016**

Dear Mr. Kieffer, dear Georges,

in 2016, the Golf Senioren Gesellschaft Deutschland e.V. (GSG) will celebrate its 60th anniversary. On this occasion, the GSG will organize multiple celebratory events. A first highlight will be the International Four Ball Competition on May 9 to 11, 2016 at the Europa-Park Golfclub Breisgau, in co-operation with the Europa-Park at Rust.

We heartily invite you and your members to celebrate our anniversary, together with our members and the members of the other European Senior Golf Associations (ESGA), by participating to this attractive competition.

We like to demonstrate that the idea of bringing together ambitious senior golfers for sportive matches and social contact is still valid now and in future, against all competing offerings. Of particular value to this are the many international matches through which our members are able to meet each other and learn more about their reciprocal cultures.

We would like to ask you to pass this invitation on to your members and to stimulate them to participate in our international competition.

As venue for the competition we have chosen the Europa-Park at Rust, which is Germany's largest amusement park, and the Europa-Park Golf-Club Breisgau, which is associated with the Europa-Park. Both are close to each other within 10 minutes distance and are located in the middle of Europe close to Freiburg im Breisgau, and can be reached by car or through the airports of Strasbourg, Baden-Baden, Basel, Stuttgart und Frankfurt.

The first match day on May 9 is dedicated to a single Stableford match, together with presidents and other representatives from golf clubs especially invited by the GSG, to make them acquainted with the activities of the GSG and to make it more widely known.

During the second and third match days the International GSG Four Ball Cup will be played out in a four ball-best ball Stableford match and a greensome match, respectively. Various prizes will be available for the winners and runner-ups.

Accommodation for the participants will be in the Europa-Park, and they will enjoy two evenings of a festive dinner with cocktail reception and a gala dinner with dinner show, respectively. In addition, they have access to the many attractions und shows in the Europa-Park.

You will find an official invitation to the International Competition in the attachment.

Your members will find a more detailed invitation with all match and accommodation conditions on our web site breisgau.gsg-golf.de. Registration forms for participation and accommodation can be downloaded from the web site as well. Registration is due until **February 29, 2016** by E-mail to the Golf Senioren Gesellschaft Deutschland e.V. (sippli@gsg-golf.de).

We like to thank you for passing on this invitation letter and its attachment to your interested members. We will ask our German captains of international matches between our associations to send the invitation also to their counterpart in your association in order to invite their participants.

We hope that we will find multiple responses by your members for participation and are happy to receive you or your members at our competition.

Yours sincerely,

GOLF SENIOREN GESELLSCHAFT
DEUTSCHLAND E.V.
